

GLOBAL

INFECTIOUS CONTROL CONSULTANTS LLC

Latin America Strategic Partner Announcement

The company will focus on the Agricultural and Animal industries along with bringing better indoor environmental conditions to the Health Care and Manufacturing sectors through control of indoor pathogens.

Contacts

We are excited to extend our service area to Latin America through our newest Strategic Partner, **Gilbert Carrillo Organic Solutions, LLC**.

With offices in both the United States and Bogota, Columbia **Gilbert Carrillo Organic Solutions, LLC** will have the ability to coordinate with local Latin American clients as well as USA based companies with business interests in Latin America.

Mr. Steven Gilbert is located in the USA and is President with both Andres and Megan Gilbert de Carrillo located in Bogota, Columbia. They are backed up by the full team support of **Global Infection Control Consultants LLC** located in South Carolina, USA.

Gilbert Carrillo Organic Solutions, LLC is dedicated to reducing the burden of infectious organisms globally using natural products. They are the exclusive distributor for the Path-Away (TM) line of botanically based, anti-pathogen products in Latin America.

Gilbert Carrillo Organic Solutions, LLC is a company dedicated to finding cutting-edge solutions and providing excellent, complete customer service.
