To Whom It May Concern;

We have worked with Global Infectious Control Consultants (GICC) for 20 years. We are a strategic partner with GICC because of their commitment to high quality products and service.

The partnership with GICC has allowed us access to products that has given us an edge over our competition.

GICC has delivered their prompt consultation services for us across the nation. Their professional, comprehensive and common-sense approach has improved the services we provide to our customers. We have built stronger relationships with our customers as a result of our strategic partnership with them.

Sincerely,
